Windemere Homeowners:

The Windemere Homeowners Association Trustees will host a meeting of the Windemere homeowners on Sunday, July 23, 2017, at 3:00pm at 2303 Abbey Lane to discuss the runway extension at the Greene County Lewis A. Jackson Regional Airport.

A number of Windemere homeowners have requested a meeting to address concerns about the pending 500 foot extension of the current 4,500 foot runway at the Greene County Lewis A. Jackson Regional Airport. The purpose of the homeowners meeting is to present the Greene County Lewis A. Jackson Regional Airport Long Range Plan, correct any misconceptions about the plan and impact on Windemere, identify homeowner concerns, and determine a course of action, if warranted, based on those concerns.

Weather permitting, the Windemere homeowners meeting will be held in Ron O'Rear's backyard at 2303 Abbey Lane to accommodate the expected number of attendees. Please bring a lawn chair, your own refreshments, writing materials, and your questions to the meeting. The meeting will be moved inside if the weather doesn't permit an outdoor meeting.

Please contact Ron Simmons, [rsimmons004@att.net](mailto:rsimmons004@att.net), (937) 971-3696, or Ron O'Rear, [ronorear@aol.com](mailto:ronorear@aol.com), (937) 361-8529, if there are any questions on the planned meeting.
